BE CONFIDENT IN THE IMAGES YOU USE

Each photo or illustration comes with complete metadata, including the source, the copyright holder, caption, and keywords. Because Britannica has done the work of finding the best photos—most of which are not freely available on the Web—you can trust the source and be certain that you’re using an accurate photo.

ENJOY QUICK AND EASY ACCESS

Images can be downloaded, printed, saved in a “Lightbox” or virtual folder, or e-mailed as jpegs.
